

DEATH

CLAIMS MRS. EUNICE DALZELL
AT LOS ANGELES, CAL.
PASSED AWAY AT THE HOME OF
HER SON, MILTON DALZELL
THURSDAY

Information received in this city from Los Angeles, California announces the death in that city of Mrs. Eunice Dalzell, 80 years of age and one of Lima's oldest residents and mother of Frank Dalzell, 915 west North street and of Emma Dalzell, all of this city. The aged lady died Thursday morning at the home of another son, Milton Dalzell, a resident of Los Angeles. The news of the death came quite unexpectedly as Mrs. Dalzell had been

in very good health for some time. The aged woman left Lima about six weeks ago accompanied by her daughter, Emma, Dalzell, and went directly to the California city. Mrs. Dalzell had resided in this city practically all her life and she was the daughter of Mr. and Mrs. James McCullough, early settlers in Allen county. She was a member of the Market Street Presbyterian church. She married W. G. Dalzell who died several years ago. When in this city she resided at No. 709 west Wayne street. Mrs. Dalzell is survived by the three children. The body will be brought to this city for interment, but other than that no further arrangements have been made for the funeral.

Mrs. Russell has moved her millinery parlors from 24 1-2 Public Square to the Boose block corner of Main and Eureka streets.

PEEK-A-BOO

WAISTS AND SHORT SLEEVES
NOT TO BE WORN BY
SPRINGFIELD TEACHERS

Springfield, O., Dec. 6.—Women teachers in the local public schools will wear waists with long sleeves in the future. The ban has been placed on the short-sleeved ones, and the peek-a-boo waist is also tabooed.

The teachers received their in-

structions regarding dress from Superintendent Carey Boggess this evening. He did not stop with the teachers, but added that it would be advisable to suggest to the high school girls not only the propriety but the health advantages to be derived from wearing waists where so much of the arms and the neck and shoulders are not exposed. The older teachers accepted the edict of the Superintendent gracefully, but the young ones showed by the expression of their faces that they were anything but pleased with the new order.

Carelessness in handling weapons resulted in 10 deaths to twelve and caused five deaths. Hunters dragging their guns or pulling them through fences were killed by the accidental discharge of their weapons.

Four were killed by companions. Stray bullets from unknown hunters caused many accidents. One of these peculiar accidents was the wounding of Miss Mary Beattie, 90, near Massillon, Ohio, who was near her home when a stray bullet smashed her finger.

Priest's Advice Led To Her Recovery

To say that a specific exists for the cure of Consumption is perhaps too strong a statement, but in Eckman's Alternative we have a medicine that has been the means of saving many a life to years of usefulness, and in permanently benefiting a large number of Consumptives.

Certainly a person afflicted with a wasting disease should be well fed with wholesome, nourishing food, but frequently raw eggs in quantities cause a digestive breakdown, and then no food nourishes. As for milk, a very good food for many, but a producer of biliousness for some.

Any diet that keeps a Consumptive well nourished is the right one, but what is going to improve the patient? Eckman's Alternative has brought about full recovery in many cases of Consumption. Let those speak who know. Here is one:—

"30 Savannah St., Rochester, N. Y. 'Gentlemen': On June 3, 1907, I was operated upon for tubercular peritonitis at St. Mary's Hospital, Rochester, N. Y. After the operation my physician gave me up as hopeless. I was then urged by a priest to take Eckman's Alternative which I did. My weight at the time was 73 lbs. I began to improve and steadily gained in health and strength. I now weigh 125 pounds, and am absolutely well. Believing I owe it to myself and others to make this statement." (Sworn Affidavit) EDNA FINZER.

Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs. For sale by H. F. Yorkcamp, and other leading druggists. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa. for additional evidence.

CRIME WAVE IN OHIO INCREASING

Columbus, O., Dec. 6.—An increase of 47 per cent in the number of convicted murderers in Ohio for the year ending November 15, 1912 is shown in the report of Bertillon Officer I. Miles, of the Ohio Penitentiary.

Sixty-eight prisoners were sent up for taking human lives in 1912, as against 46 the year before. There were three cases of electrocution. Burglars show an increase of 40 per cent. The total increase of all prisoners is nearly 9 per cent. Of the 761 prisoners received during the year Cuyahoga county sent the most—140. Hamilton was next with 119. Any Corn, Sure!

You'll Quit Everything Else for "GETS-IT."
Any corn just loves to be cut and gouged, but it's mighty rough on you. Plasters and salves usually take away some of the toe with them, and leave the corn to flourish.
The new corn cure "GETS-IT" is perfectly harmless to the healthy flesh, but it does go for a corn, bunion, callous or wart right off the heel. The corn shrivels away from the healthy flesh and drops off.
You can apply "GETS-IT" in two seconds and it begins its work right off. Pretty soon you'll forget you ever had corns or bunions.

MRS. EDNA REAKIRT

of the wealthiest almonists receive \$1,650,000 of his father's estate when he is of age, and the agreement constitutes a lien upon the estate. Reakirt settled \$1,000,000 on the son of his first wife, Mrs. Anna Howard Reakirt, when they were divorced in 1906. Reakirt is a son of Mrs. Lauretta B. Bibson, of Cincinnati, whose fortune has been estimated at \$30,000 and he is the son of the Reakirts shall

Just at the close of the week comes the announcement of the engagement of another of the city's popular young girls. Miss Florence Gallagher, youngest daughter of Mr. and Mrs. E. R. Gallagher, of West Market street, to Mr. Arthur William Long, of Dayton, Ohio. Announcement of the happy event was formerly made Thursday evening, when a large circle of Lima friends received prettily engraved cards, inscribed as follows:

Mr. and Mrs. E. R. Gallagher announce the engagement of their daughter Florence Marie to

Mr. Arthur William Long Dayton, Ohio

The marriage will be an event of early spring.

Miss Gallagher is widely and popularly known in this city, having spent her girlhood and young womanhood here, receiving her education in the St. Rose Parochial and the Lima high school. For the past several years, she has served efficiently as the book-keeper for the Lima Daily News. She is a favorite among a large clientele of friends in the younger social set, winning the admiration and esteem of all through her kindly disposition and charming ways.

Mr. Long is the eldest son of Mr. and Mrs. Harry Long of Dayton, and is a well known baseball player of the Ohio State league, having played third base for the Lima team for the past three seasons. He is a prosperous young business man and during the winter season is employed by the Davis Sewing Machine Co., in his native city. A legion of friends join in extending congratulations and felicitations.

Another pretty compliment for Mr. and Mrs. Virgil M. Knisely was the charmingly appointed six o'clock dinner given in their honor at the home of Miss Gertrude Finley, at 200 south West street, Thursday evening. The decorations were attractive and beautiful, a profusion of yellow chrysanthemums mingled with greenery forming the central feature. In the large dining room, the festal table was laid beautifully in dainty yellow and white, while tall candles tied with yellow tulle shed a soft light on the pretty scene. Tiny yellow nut baskets and place cards hand-painted in yellow flower design marked each cover. Seated about the table were: Mr. and Mrs. Knisely, Mr. and Mrs. Branson Harley Holmes, Mr. and Mrs. Holmes Mackenzie, Mr. and Mrs. Joseph Clemenger Thompson, Dr. George King, Miss Louise Holdridge, Miss Katherine Ohler, Mr. Harry Meckmann and Miss Finley.

Mrs. T. J. Edwards was hostess to the ladies of the Thursday Bridge club at her home on north Metcalf street, Thursday afternoon. Two tables of bridge were played, and Mrs. P. T. Mell, the only guest, substituted for Mrs. Edwards. The bridge tables were graced by clusters of pink and yellow chrysanthemums. At the close of an interesting series of rubbers, Mrs. Charles Phillips was awarded the prize. The hostess served a delectable luncheon before the guests' departure.

Political Equality Club

The Political Equality club will not hold its meeting as previously announced because of the president having been painfully injured, Friday morning. The meeting has been postponed indefinitely.

Mrs. Fredrick T. Cuthbert left for Newark, N. J., Thursday, where she was called on account of the injury received by her mother, in a fall.

Mrs. F. T. Campbell, of 407 south Cole street, is a guest of relatives in Des Moines, Iowa.

Mrs. W. H. Stephens, of Jefferson street, is spending a short time in Chattanooga, Tennessee.

On Thursday Mrs. Gordon, J. Groves entertained at dinner at her home, 416 south Jackson street, a little party consisting of Mrs. Rev. Edward J. Wackernagle and daughter, Rose, of Lafayette; Mrs. Walter Greenwalt, Rev. and Mrs. John W. Richards, and daughter, Dorothy of Lima. The affair was given in honor of Mrs. Albert Pfeiffer of New York who is making an extended visit among us.

Mrs. Wackernagle, wife of St. Stephen's Lutheran church of Toledo, is visiting the home of Pastor John W. Richards, Richie and Jameson avenues.

You Can Have Strong Nerves

If you are a nervous sufferer and are finding it hard to get on in life, there is no reason to become discouraged.

Good, pure blood, fresh air, nourishing food and a fair observation of the laws of health are all that you need to restore the strength and health of your nerves. Live up to these conditions and the nerves, brain, stomach, kidneys, heart and liver will keep in perfect working order. It is not new nerve medicine that is needed, but plenty of nourishment. Anything that you can do to build up your general health will strengthen your nerves. You will find Dr. Williams' Pink Pills for Pale People the greatest help. Free from any harmful or habit-forming drug, they act to work at once cleansing and enriching the blood, strengthening the stomach and giving nourishment to every tissue and tiny cell throughout the body. Why not choose health by giving Dr. Williams' Pink Pills a thorough trial?

Mrs. F. G. Gardner, of No. 8 Beely street, Adrian, Mich., says: "I began taking Dr. Williams' Pink Pills after I had given up all hope of ever having strength back again. I became run down through overwork and worry. I was in bed and helpless for two weeks. My limbs from my knees down felt numb and I had no use of them. I had terrible pains in the top of my head and ringing sensations in the back of the neck. All summer and fall I doctored. I gave up housekeeping and boarded. I thought I would gain faster, yet many mornings I could not get out of bed. I would wake up feeling so faint and light-headed. Then I made up my mind to take Dr. Williams' Pink Pills. I began with them and gradually increased the dose until I was taking two pills after each meal. I used the pills until my nerves were steady, my appetite and sleep good and I felt completely well. My daughter has since taken the pills for thin blood and poor color with good results."

Write for the free booklet, "Diseases of the Nervous System."

Dr. Williams' Pink Pills are highly commended for neurasthenia or nervous debility, neuralgia, sciatica, nervous headache and St. Vitus' dance. Dr. Williams' Pink Pills are sold by druggists, or will be sent by mail, prepaid, on receipt of price, 50 cents a box; six boxes for \$2.50, by the Dr. Williams' Medicine Co., Schenectady, N. Y.

"Wahoo Sam" Crawford May Manage White Sox

DEAL UNDER WAY WHICH MAY SEND THE VETERAN TO CHICAGO.

(By United Press) Chicago, Dec. 6.—The possibility of a trade which will bring Sam Crawford, Detroit outfielder to Chicago to play first base for the White Sox, is being whispered in baseball circles today. It was said that something relating to a deal would be talked between President Navin of the Detroit club and Manager Callahan of the Sox, when the former comes to attend the American League meeting next week. Crawford is a veteran.

Every year it has been predicted he would "go back" at the end of every season he is among the leaders of the bat "em to the fence and who "go back to the fence to pull them down." Each year it was predicted that he and Cobb do not speak. He is mentioned for the first base job.

MILLER TELLS ONE ON SELF

Ray Miller, Columbus first baseman, is a grumbler in his way, but he does most of it to himself. He tells on himself after his return to Pittsburgh from Columbus last fall after having been in every game of the season. "I was going down the street when I got home," said Ray, "and someone said 'Hello John.' I looked up and one of my friends said, 'Wav is that you Ray?' I thought it was your father. I did feel as old as dad after that steady work, but it made me sore to have someone else think I looked the part."—Columbus Dispatch.

Hamilton May Re-Enter Team

Hamilton, O., Dec. 6.—Work on the new Hamilton baseball park began Thursday. Indications are that the Ohio Electric Railway company will extend its lines to the park and that Hamilton will again be enlisted with the Ohio State League next season.

ANOTHER VARIETY OF BASEBALL "NUT"

Worcester, Mass., Dec. 6.—Claiming that he was illegally and unjustly deprived of his seat at the world's series base ball game in Boston on October 12, Edward F. Smith, of Worcester, has brought suit for \$5000 against the Boston American league baseball club. Smith claims he purchased a ticket at the gate and went to his seat. Later he claims he was forced from his seat and taken to a detention room on the grounds, where he was kept for an hour and half, then turned out and refused permission to see the game.

Manager Fred Clarke of the Pittsburgh club has opened an active campaign to secure the services of Catcher Roger Bresnahan.

Governor Tener of Pennsylvania, may become a prospective buyer of the Philadelphia Nationals. Tener was formerly a noted ball player and knows the game.

Phyllis Olsen has been reinstated by the National commission. He belongs to the St. Louis Browns and was formerly the sensational second baseman of the Louisville champions. Failure to report on account of ill health was "his crime."

BOWLING

Van Wert, headed by "Fergy," came to Lima last evening and with the old luck still working overtime managed to take their series with A. C. C., with a good many extras. With all due respect to our neighbors work and results it must be recorded that our Lima pin splitters were laboring under the hardest kind of luck and with perfect hits such bowlers as Betts, Busick, Fredline, Sanders and Thomas were able to secure only eight or nine pins, or quite frequently a rail-roader or big four. It seems a might difficult proposition to trim these Van Wert boys as they seem to carry the old goat with them right along. It's a little warm yet, however, and when we manage to stir up a little cool weather and take the fever from our nerves maybe we may be able to trim that bunch. Beamer was best all around man with high total of 554 and high individual at 218. Bluffton comes tonight and maybe a good score against them may serve to revive spirits somewhat. The score:

One True Medicinal Whiskey Beware of Imitations

Facsimile one-third regular size

While substitution is not a part of modern merchandising, it is still practiced to a greater or less degree by a few merchants who haven't the courage to compete with their fellows along legitimate, fair, lines, or who do not care for their customers health, but their own profits only.

Substitutes Are Dangerous

And any merchant who practices substitution is unworthy of the public's confidence.

When a remedy has been before the public for more than half a century, has been prescribed and used by the best doctors and in prominent hospitals, when it has carried the blessings of health into as many thousands of homes of the sick as Duffy's Pure Malt Whiskey has, imitations are bound to arise. Be sure you get the genuine.

Duffy's Pure Malt Whiskey

Made for Medicinal Purposes Only.

It is free from injurious substances usually found in beverage whiskeys. It has given remarkable results in the prevention and relief of all throat, lung and stomach troubles and all wasting and diseased conditions for over 50 years.

Duffy's Pure Malt Whiskey is the only whiskey that was taxed by the Government as a medicine during the Spanish War.

INSIST ON GETTING DUFFY'S The genuine is sold in sealed bottles only. The "Old Chemist's Head" is on the label and over the cork is an engraved seal. Be certain seal is unbroken. Sold by druggists, grocers and dealers, \$1.00 a large bottle. The Duffy Malt Whiskey Co., Rochester, N. Y.

CETONE'S DOWNFALL.
The little dictagraph has done its work. The last of an indicted bunch of state law-makers, George Cetone, has been given a fair trial and found guilty of accepting a bribe. Taken altogether the men who are now branded as grafters, hoodlums and common criminals received but a few thousand dollars. Was it worth it?

Was it worth a few hundred dollars for George Cetone, once recognized as a public-spirited and self-respecting citizen of the Gem City of Dayton, to sell his birth-right? Was it worth that to have his wife go through life ashamed to hear abroad on the street the name of the man she wedded? Was it worth that for the little son of George Cetone to be shunned by other Dayton children and taunted as the child of a convicted grafter?

George Cetone, for years admired for his tireless work as the head of so solid an institution as the Montgomery County Agricultural Board, knows now it was not worth it. He knows all the money in the world would not have sufficed. But like others, George Cetone realized when it was too late that the game was not worth the candle—that no money value can be placed upon honor.

And George Cetone's position today should offer a strong sermon to thousands of others who, like George Cetone, are but beings in the flesh.

STOP THEM NOW.

The depths of degradation, and crime, and filth to which men will not go for money have never been discovered.

About the latest example to be offered is the "enterprise" of a picture film company of Chicago. Still conscious of the fact that the marriage of Jack Johnson, following so soon his cowardly reflections on the chastity of every white woman in the world, this film company comes forward with an announcement that it has secured animated pictures of the wedding of the black man and a white prostitute and will shortly exhibit them over the country. And already the announcement has been followed by statements from a number of mayors that if any attempt is made to display the pictures in their respective cities, whoever attempts it will have plenty of trouble to deal with.

The pictures, it need hardly be said, will ever be exhibited in Lima. Mayor Shook still has that high sense of decency that has always characterized him as a citizen; still has no more regard for the man who sinks to crime to secure a livelihood than have all other men who respect manhood and virtue. Mayor Shook will, not speaking for him authoritatively but knowing him as a man, act with the mayor of every city that is made up of decent people, and refuse to permit the pictures of Jack Johnson's wedding to be shown in Lima.

And when Mayor Shook gets about to stop it he will have the backing of about 35,000 Lima people—and that's about all the people we have in Lima at present.

WHY LIE ABOUT IT.

If a policeman is corrected by a newspaper for not performing his duty, why rush right back into the newspaper to deny the charge? An attempted correction in a newspaper is always worse than the original

article. The wise man realizes this, and the wise man when he accepts the advice of any studied newspaper man will not attempt a correction—unless that correction is a most serious one.

But last of all why should a policeman, a man given possibly to making mistakes more often than men in any other branch of life, always rush into print to swear "by affidavit if necessary" that the article concerning him was not correct?

In practically every city a policeman attempts to keep out of print as much as possible. In practically every city the number of arrests made doesn't blind the chief into believing that the man is a "good" officer.

In almost every city when a policeman goes into print to try and "correct" something that has been published regarding him the general public realizes that he is lying—and the chief, being human, is generally inclined to take the same view of it.

The editor of the Dayton Journal says "there's only 126 in the Columbus 400, anyway. We knew he had moved from Columbus but never dreamed he estimated himself at 274."

There's going to be big business in the lunch counter business just as soon as the Hon. James M. Cox gets to Columbus to frame up his official family.

VESTIGATION OF INDUSTRIAL SCHOOL IS ON

STATE BOARD LOOKS INTO CASE OF BOY BEATEN BY OFFICER

LANCASTER, O., Dec. 5.—With J. Shaffer acting for the state board administration, the official probe alleged severe disciplining at the Boys Industrial school, said to have resulted in the serious illness of John Brown, of Columbus, from pneumonia, was continued today. Dr. T. V. Dupuy, the industrial school physician, today declared that young Brown was out of danger. The lad's mother, who is at his bedside, declared, however, that she will not drop the charges with ends in the state board's investigation. According to the mother, he had been brutally beaten by Officer Paul Wiebe and placed in the correctional cottage. It was here, she claims, that as a result of unnecessary exposure the boy contracted pneumonia, which nearly resulted in his death.

"POPS" TO BE PART OF THE Y. M. C. A. WINTER SCHEDULE FIRST OF THE SEASON IS SET FOR SATURDAY DECEMBER 7TH.

Popular Saturday night entertainments, or Saturday nights "Pops" It is the endeavor also to make them, are to be part of the social program in Lima Y. M. C. A. beginning tomorrow evening with the Watermelon Jubilee Singers. The object is to make the Young Men's Christian Association, in a larger sense, a social center to the large number of young men who always "come up town" on Saturday evening, and also a time when they can feel free to bring ladies, for the socials will as a rule be of such a nature that the general public will be interested. It is the endeavor also to make all entertainments free except when considerable expense is attached, when a small fee will be charged. A new motion picture machine has recently been purchased and films that educate, entertain and elevate will be shown each Saturday evening. Some times these Saturday socials will be limited to the boys and the program adapted to them. This is necessary because set aside for the Boys' Department must be used for a multitude of activities that do not pertain to that department.

CHIEF SAYS HE IS INNOCENT OF ALL GRAFT CHARGES AND WILL FIGHT HIS KNOWN ENEMIES TO VERY LAST DITCH.

No attempt will be made to oust Chief of Police Marion Vermillion until the present slot machine probe blows over according to a statement made Friday morning by Mayor Shook. An investigation will be conducted and may result in an attempt being made to dislodge the chief from his present position after the first of the year. Despite the fact that he has denied all the hazy allegations made by W. C. Carr, the "Slot Machine King," in his informal and unsworn confession to Prosecutor Weadock, in which Carr implicates the chief as being a party to the combine, Mayor Shook, it is understood, is carefully paving the way for the chief's summary dismissal. "If ever such an attempt is made, I will fight for my rights to the last ditch," reiterated Chief Vermillion today. "I am innocent of all insinuations made by Carr and know nothing of what he speaks."

CONSCIENCE HURTS YOUTHFUL THIEF

Ray Cox, 20, conscience stricken youth, who Thursday night voluntarily confessed to the theft of 200 pounds of old copper from the Lima brewery more than a year ago will not be prosecuted. This was the ultimatum issued from municipal court Friday morning upon the failure of the brewery company to prefer a charge of grand larceny against him. Cox will be given his freedom, although he states he has suffered far more remorse and the fear that retribution would finally overtake him. He posted a bond of \$25.00 for his appearance in case a charge should be filed against him and drew his release. Cox lifted a great load from his mind, he told police, upon his confession. "The thing has troubled me every since I stole the brass. I didn't mean anything, was just out for a lark and didn't realize the seriousness of the crime at that time."

Late Thursday night young Cox walked into police headquarters, voluntarily related the story of the raid and asked to be locked up. He said he had been working at the brewery prior to the robbery. One night, he lifted the brass through a window, hid it in a nearby building for several days and finally disposed of it at the Bernstein junk yard on north West street for \$15.00. Cox lives at 1012 east North street.

STANDARD OIL Is Not Going To Be Driven Out of Germany. Berlin, Dec. 5.—The proposition by Germany to expel the empire of the Standard Oil Co., by the establishment of a state petroleum monopoly, it is believed, cannot be realized. The government's bill will come up in the Reichstag within the next few days and unless the government is able to give positive assurance that sufficient oil can be obtained from independent companies to avoid famine prices, the Catholic center and Socialist Democratic parties which have combined with 200 votes will vote against the measure, insuring its defeat.

LOCAL MOVING PICTURE HOUSE IS CONDEMNED

FIRE MARSHAL SAYS THE EMPIRE PICTURE HOUSE IS NOT SAFE

LYONS WILL CHANGE ITS DRESSING ROOM

TO COMPLY WITH LAW—OTHER HOUSES TO LOOK AFTER SUGGESTIONS.

State Building Inspector James Spangler, of Delancey, Friday morning, condemned the Empire motion picture emporium situated at the northwest corner of the public square. Absence of a required number of exits was assigned as the cause for the condemnation.

Early Friday, Inspector Spangler in company with Fire Chief John Mack re-opened his crusade against defective and poorly ventilated buildings, making the rounds of the different picture shows and theatres of the city.

The new state building which went into effect in May, 1911, requires one five-foot exit or two three foot exits at each end of a public building, or one three-foot exit for every 100 persons capacity. At the Empire motion picture theatre, the rear exit was found blocked by the erection of an addition to the Delsel block. The front entrance is but 34 inches in width. Accordingly, the building was condemned.

At the Lyric Theatre on north Main street where the dressing rooms were found to be without fire escapes and arranged in a tier one above the other for four stories, escapes were ordered or the dressing rooms removed to the basement. Manager Deardorff promised to comply with the recommen-

ation at once, and will install dressing rooms in the basement. Other show houses about the city comply with the state building code save for a few minor defects which will be remedied.

HOW ABOUT THE BUTTER TRUST?

If you really want to reduce the high cost of living why not start in on the butter item. You can buy a pound of "Parity" or "Pride" Butter equal to Creamery Butter and your dealer will throw in a peck of potatoes for what you have to pay for Creamery Butter. "Parity" retails for 35c and "C. C. Pride" at 27c. Almost all grocers and meat dealers handle these two brands. Try some of it with your Saturday order and convince yourself that you don't have to patronize the butter trust in the future. Refuse substitutes.

MINSTREL SHOW

First steps were taken toward realizing the Owls minstrel project last night when a committee was appointed to take charge of the proposition and push it to completion. Charley Maxwell was named as chairman of the committee, H. W. Rabold, secretary, H. H. Shaeffer, musical director, Billy Faulkner, manager and C. B. St. Clair assistant manager.

Charles Cleveland who put on the Elks Minstrels both in this city and in Van Wert and who is regarded as one of the best directors in the city, has been engaged to stage the performance. Home talent galore will be brought into play and as there are some excellent musicians and performers in the local nest of Owls, a splendid minstrel show can be predicted. The committee hopes to stage the show on or about January 15th.

Never Suspected Kidney Trouble—Gained Fifty Pounds in Weight.

Some time ago I was suffering from what I supposed was rheumatism. I became so bad that I could hardly get on my feet from a sitting position. I ran down in weight from 195 to 145 pounds. I tried different kinds of medicine but received little or no help. I saw Dr. Kilmer's Swamp-Root highly recommended for kidney trouble but I never had any idea that my kidneys were affected. I thought I would try a fifty-cent bottle of Swamp-Root and see what the effect would be. I commenced taking it according to directions and in a few days I saw that it was helping me. I used the fifty-cent bottle and then bought three more dollar bottles and they completely cured me. I have gone back to my original weight—195 pounds—and I am a thorough advocate of Dr. Kilmer's Swamp-Root as I believe it to be a remarkable preparation for what it is recommended to do.

WILLIAM H. PARTON, New Haven, Ct. Personally appeared before me this 4th day of September, 1909, Wm H. Parton, who subscribed the above statement and made oath that the same is true in substance and in fact. D. A. ROLEAU, Justice of the Peace.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove What Swamp-Root Will Do For You. Send to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. It will convince anyone. You will also receive a booklet of valuable information, telling all about the kidneys and bladder. When writing, be sure and mention the Lima Daily News. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

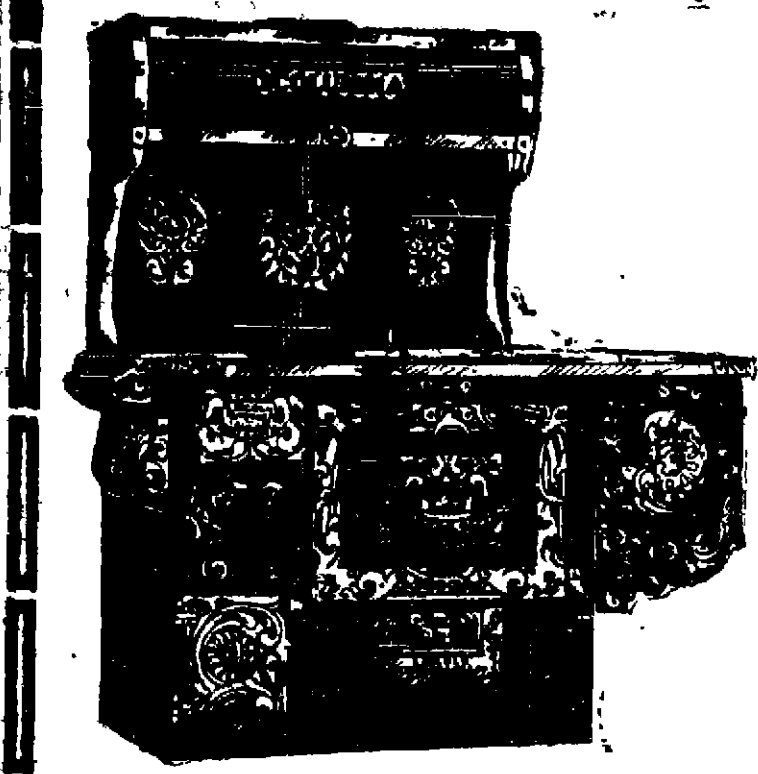

SALOONIST SOAKED.

PROVES SURE CURE FOR RHEUMATISM

Quickly Eases Stiff, Sore Swollen Joints and Muscles—Drives all Rheumatic Pains Away

It is needless to suffer any longer with rheumatism, and be all crippled up and bent out of shape with its heart-wrenching pains, when you can be quickly and permanently cured.

Rheumatism comes from weak, inactive kidneys, that fail to filter from the blood, the poisonous waste matter and uric acid, and it is useless to rub on liniments or take ordinary remedies to relieve the pain. This only prolongs the misery and can't possibly cure you.

The only way to cure rheumatism is to remove the cause. The new discovery, Croxone, positively does this. It neutralizes and dissolves all the poisonous substances and uric acid that lodge in the joints and muscles, to scratch and irritate and cause rheumatism, and cleans out and strengthens the stopped-up, inactive kidneys, so they filter all the poison from the blood, and drive it on and out of the system.

Croxone is the most wonderful medicine ever made for curing chronic rheumatism, kidney troubles, and bladder disorders. You will find it different from all other remedies. There is nothing else on earth like it. It matters not how old you are, or how long you have suffered, it is practically impossible to take it into the human system without results. You will find relief from the first few doses, and you will be surprised how quickly all your misery and suffering will end.

An original package of Croxone costs but a trifle at any first class drug store. All druggists are authorized to sell it on a positive money-back guarantee. Three doses a day for a few days is usually all that is ever needed to cure the worst attack or overcome urinary disorders.

Kitchenettes

To remove mildew from linen take some yellow soap and rub it well into the linen, then scrape some chalk very fine and rub that in also. Lay the linen on the glass and as it dries, wet it again; this done two or three times should remove the mildew. Another way is to mix soft soap and powdered starch with half the quantity of salt and juice of a lemon. Lay the mixture on with a brush and let the linen lie out on the grass for a few frosty nights and the stain will soon disappear. All linen will turn yellow if kept long unused or locked up in a linen press and excluded from light and air.

MARKETS

CAR SHORTAGE HURTS CEREALS

PLenty READY TO MOVE ON THE STOCK MARKET—MONEY TRUST INVESTIGATION ALSO CUTS FIGURE.

Chicago, Dec. 6.—The car shortage in the west is holding back cereals with the result that the market is practically at a standstill. Minneapolis and Duluth have received 104 million bushels of wheat against 62 million the same time last year. Car shortage is keeping down corn, especially through Illinois where a bumper crop is ready to market. If cars were obtainable there would be a swift movement of all cereals. Liverpool wheat is higher, showing there is a good demand on North America. Bears in corn say the rally is over and the fact that it gained a half cent Friday shows that it is going to be the best sale of cereals this year.

At the opening Friday both wheat crops were a quarter down and lost another eighth at noon. Corn started unchanged but gained a half cent during the day while oats went through without a change. Provisions were slightly stronger on the strength of a heavy western hog run. The general close showed:

Wheat, May 95; July 87 7-8; Dec. 84 5-8; Corn, May 48 5-8; July 42; Dec. 49 Oats, May 33; July 33 1-4; Dec. 32 1-8. Jan. pk. 1947, May pk. 18.72.

DOCTORS AGREE HICKEY IS SANE

Buffalo, N. Y., Dec. 5.—That the medical experts who have examined Frank Hickey, confessed slayer of little boys, have decided that he is perfectly sane and that his recent outbursts have been carefully planned in order to bolster up a insanity defense when he is tried for the brutal murder of seven year old Joe Josephs, was reported here today. Doctors J. W. Putnam, and N. W. Wilson, alienists who examined the accused have submitted their report to the district attorney Dr. H. G. Mattinger, assigned by the court to examine the prisoner, visited Hickey for the first time today.

The prosecution is certain that it will be able to upset any plea of insanity and show that Hickey was in full possession of his faculties when he murdered the little Josephs boy at Lackawanna.

GOVERNOR HAS PLAN TO BREAK UP DIVORCES

CHIEF EXECUTIVE OF NEVADA MAY PUT RENO OUT OF BUSINESS.

(City United Press) Richmond, Va., Dec. 5.—Four of five Atlantic Coast states in which divorce laws are antiquated and correspondingly harsh are largely responsible for the existence of the Reno divorce colony, according to Governor Oddie, of Nevada, who addressed the Governor's conference today pleading for uniform marriage and divorce laws.

Oddie urged that the state's cooperate on treatment of marriage and divorce in a sociological manner.

"It is high time," he asserted, "that the courts put away the musty precedents. Inasmuch as the Nevada divorce law was enacted fifty-one years ago, it is obvious that the author of the act had no idea of commercializing the dissolution of marriage contracts in other states."

"Nevada does not want this divorce business. The result of the recent state elections shows how the people feel on the subject. I shall recommend to the next legislature that the residence section of the act be amended so that a bonafide residence of one year be required instead of six months which now answers."

Governor Oddie urged that the uniform state law should include the requirement that a physician's certificate showing physical fitness should accompany application for license. That the license be published in advance before granting.

OVER THE PROSPECT OF A SHORTAGE OF GAS FOR COOKING PURPOSES

When the Gas Company in a recent interview acknowledged that the future gas supply for Lima was best uncertain, The Big Store was busy with the wires immediately. As the result of a quick and most advantageous purchase, 40 discontinued patterns of high grade steel ranges manufactured by such well known firms as the Jewel Stove Works and the Lincoln Range Co., are now in the Store Department of Lawson-Hawisher Co., and invite your purchase at prices one-third less than regular. Here is a chance to make yourself independent of gas and have a hot dinner smoking in the table during the coldest weather, if you bestir yourself and buy while the opportunity is ripe. See detailed announcement of prices in another page.

A WISE PRACTICE

The will of circumstance is oftentimes stronger than any desire. With the high cost of living confronting us, many thinking people have turned to giving useful gifts for Xmas. Problems arouse the need of solution, and to our minds this is most a commendable solution of the gift problem. Gifts intended for personal use mean more than any other to their recipients, and the practice is growing with each succeeding holiday season. The united qualities of beauty and usefulness in the Big Store's house and part slippers make them supremely satisfactory as Christmas gifts. For this season, the Big Store Shoe Department has responded most happily to the Xmas spirit and has gathered together the newest and choicest slippers ever brought to Lima, in such quantities that any man, woman or child may be pleased. This fact also allows us to repeat the familiar slogan of the department: "Always a little lower in price."

POLICE NEWS

Dead to the world, in a veritable hog wallow at the rear of the Blattemburg barns on north Union street Mary Joy, 40, female delinquent was discovered last night by the Rev. W. H. Workman, stone pile superintendent of the municipal staff.

Mary had enjoyed her spree to a relish and selected an inviting pool of water and mud in which to sleep off the effects. The Rev. Workman disturbed her slumbers long enough to request her presence at the city prison where she was incarcerated on a charge of drunkenness. Mary pleaded guilty this morning, was traditionally sorry, drew the customary lecture and the still more customary \$5.00 and costs for coming back. Not being in possession of the necessary \$3.45, she was remanded to jail.

ALL OLD-TIMERS

Old timers comprised the drunk docket in mayor's court Friday morning. Aside from Mary Joy, three other repeaters were on hand. Ben Kennedy, Bill Collins and Bert Bigley, all fell from grace during the night and were on deck to answer to drunkenness a charge and the customary \$5.00 and costs.

Headache?—It's Your Liver

Too Many People Take Headache Powders When a Liver Tonic is Needed.

Try Olive Tablets—the Substitute for Calomel.

Anyone who takes Dr. Edwards' Olive Tablets the moment he suspects his liver or bowels, will never have headache.

There is no necessity, when you take Olive Tablets, of following them up with nasty, sickening, griping salts or castor oil, as you should after taking calomel.

Olive Tablets do not contain calomel or any other metallic drug; they are a purely vegetable compound mixed with olive oil, sugar-coated easy to take, and never gripe or cause weakness.

Thousands of people take one every night at bedtime just to prevent disorder of the liver, constipation, bad breath, pimples, headache, etc.

Dr. Edwards, calomel's old enemy, discovered the formula for Olive Tablets after seventeen years of practice among patients afflicted with liver and bowel troubles.

Try them for a week. Take one on retiring nightly.

"Every little Olive Tablet has a movement all its own." 10c and 25c per box.

THE BOHEMIAN GIRL AT THE ROYAL TODAY AND TOMORROW

The action of this drama commences at the chateau of Count Arnhem, in Austria. The peasantry and retainers of the Court are making preparations for the chase when Thaddeus, a Polish exile and fugitive from the Austrian troops, arrives in search of shelter and concealment. Here he encounters a band of Gypsies, headed by one Devilshoof, who, learning from Thaddeus that he is pursued by soldiers, gives him a disguise, conceals him, and puts the pursuing troops on the wrong track.

Just at this time shouts of distress are heard, and Florestein appears surrounded by hunters. The Count's child and her attendant have been attacked by an infuriated stag in the forest, and are probably destroyed. Hearing this, Thaddeus seizes a rifle, and hastens to their relief and by a well-aimed shot kills the animal and saves them from destruction. The Count now returns in time to hear of the peril of his darling child and to see Thaddeus bearing her, wounded form in his arms. They seat themselves at a table and the Count proposes as a toast "Health and Long Life to the Emperor!" All except Thaddeus do honor to the toast and his silence being observed, the Count challenges him to empty his goblet as the rest have done. Thaddeus to the surprise of all, dashes the wine to the earth, this, of course, produces a burst of indignation. The assembled guests are infuriated by such an indignity to their monarch and threaten the life of Thaddeus.

At this moment Devilshoof returns, and at once takes sides with Thaddeus. The Count orders Devilshoof to be secured. During the fight, Devilshoof escapes, taking with him the Count's infant daughter, Arline.

SOCIETY

PASTIME EUCHE

Eighteen members of the Pastime Euchre club and two guests Mrs. Minnie Henderson and daughter, Miss Majorie, were delightfully entertained at the home of Mr. and Mrs. P. A. Kahle, at 1203 West Market street Wednesday evening. The rooms were bright and pretty with large clusters of cut flowers and roses arranged in various corners and conspicuous places effecting a very pretty scheme planned by the hostess. The time was devoted to the captivating games of progressive euchre, at the conclusion of which Mrs. Al Patterson was awarded the ladies' prize and Mr. George Rhoads the gentlemen's prize. Late in the evening, the hostess served a delectable three-course luncheon. The next meeting of the club will be held at the home of Mrs. T. E. Johnston, of west Spring street.

Twelve years are supposed to elapse and we are transported to the city of Presburg, Florestein, a foppish attaché to the Court, is met by Devilshoof and his companions, who relieve him of his jewelry, among which is a medallion which Devilshoof carries off. Thaddeus who has joined the tribe is now enamored of Arline, they are betrothed.

A grand fair is in progress in the plaza of the city and hither, of course, come all the Gypsies. Florestein appears and is quite fascinated by the beauty of Arline. While trying to engage her attention, he perceives his medallion hanging on her neck and claims it, charging her with having stolen it. The supposed culprit is brought before the Count Arnhem; Florestein presses the charge, and circumstances strengthen the appearance of guilt against Arline when the Count perceives the mark left by the wound inflicted by the deer on Arline's arm. He asks its origin. She repeats the story as related to her by Thaddeus. The Count recognizes his long lost child, and the reel ends with an effective tableau.

In the third reel we find Arline restored to her rank and the home of her father; but the change in her prospects does not diminish her love for Thaddeus. He darts all dangers for an interview, seeks and finds her here. Thaddeus relates his story to Count Arnhem, who in gratitude to the preserver of his child, bestows her upon him. Desire for vengeance now fills the heart of the Gypsy Queen; she induces one of the tribe to fire at Thaddeus as he is embracing Arline but by a timely movement of Devilshoof, the bullet reaches her own heart. At the old price of admission 5c with special music.

AMUSEMENTS

Tonight—MUTT AND JEFF.
Tonight at the Faurot Gus Hill presents his production of Bud Fisher's famous cartoon play "Mutt and Jeff" pictures and to see them is to laugh.

Mr. Hill sends a car load of scenery, properties and effects along with 50 clever singers, dancers and comedians, all of which are intended to delight little folks as well as "grown ups." Of course, the real big laugh begins when "Mutt and Jeff" appear and it don't relax for a minute until you find yourself on the sidewalk after two and a half hours of incessant merriment. Secure seats early.

FAUROT—"A Girl of the Underworld."

Seats are now selling for the evening performance of "A Girl of the Underworld," which comes to the Faurot on Saturday afternoon and night. This new play of New York life is one of the sensational hits of the present season and will doubtless duplicate here the success it has met with in the east. Mr. Wee has provided an excellent cast and a complete scenic production. Popular prices both matinee and night.

"HIS AWAKENING" AT THE LYRIC.

A clean wholesome and thoroughly enjoyable play is on at the Lyric for the last half of this week. While it is of a vastly different style from "Faust" and gives no opportunity for great scenic or electrical effects, yet it contains much up to date wit, humor and pathos to keep the auditor interested from start to finish. Miss May, who plays "Gladys" is responsible for the "awakening" of a musty old book work and again she was sweet and winsome and played her role in a refreshing manner. Miss Leila Hill made a splendid "Aunt Angelina" and caused much merriment. Mr. J. Raymond Barrett was the "flighty brother" and threw himself in decided contract with "the bookworm" in such a capital way as to lend an additional light to the story of the play. Mr. LaRenz was "the bookworm" and he met all the points his lines gave him opportunity to meet. The rest of the cast were up to their usual standard and deserve praise for good work. For next week the big New York Herald Square Theatre success "The Return of Eve" is underlined, and as the play is a decided novelty in theme will not doubt draw large crowds to the Lyric during it say, "His Awakening" tonight and Saturday night with a special matinee on Saturday afternoon at 2:30.

ORPHEUM THEATRE

The show that opened at the Market street playhouse, The Orpheum, for the last three days of this week, certainly has enough variety in the bill to suit any one that is looking for amusement. There are musical and confection singers and dancers, character change artists, a sketch that is worth while and one of the fastest and most wonderful acrobatic acts by Sunn Whirlwind Arabs, that ever set foot on the Orpheum stage. There is not a dull moment in the show and as one man expressed himself, coming out, "That is some show." Palmer and Dockman, a man and woman opened the bill with a novelty musical act while the man is playing Xylophone solo the young lady is doing a number of contortion stunts that goes along way to make the act the hit it is. Lormie Follet, a clever character impersonator, was a big surprise and his impersonation of Eva Tangany was an artistic bit of work and brought down the house. Paul Case and company have an interesting sketch as well as amusing. Van and Davis, singers and dancers were well liked and finished to rounds of applause. The Bonomor Troupe Seven Arabs closed the bill and one can only say they are wonderful and the greatest tumbler in the world. They roused the audience to cheers and applause never before heard at the Orpheum. The photo play by the Kinemacolor players, in two acts, was finely acted and has an intense story dealing with every day life. Matinees daily 2:30 p. m. all seats 10c. Nights 7:30 and 9. Prices 10-45-20.

COUNCIL TO BLOCK SHOP REMOVAL

City council will take its first steps toward blocking the removal of the Cincinnati, Hamilton and Dayton railway shops from this city in an informal conference late Friday afternoon between aldermen and members of the old board of trustees in charge of the bonus fund of \$33,000 offered the company several years ago to establish their headquarters in Lima.

Although the conference is called for an inquiry into the status of the railroad company, no definite plan of action is in view. Members hope to reach a conclusion this afternoon from which to take steps that will prevent the removal of the shops which has been rumored and later denied by the company. If necessary an injunction will be secured as the solution of the problem.

DEATH CLAIMS TWO MEMBERS IN ONE FAMILY

YOUNG WIFE OF HOWARD H. TREAT SUCCEUMS TO URAEMIC POISON

GRANDMOTHER OF HUSBAND DIES AT McCUTCHENVILLE

REMAINS OF LATTER WILL BE BROUGHT TO THIS CITY FOR BURIAL

Two home of members of one family were doubly saddened by the hand of death Thursday night, when Mrs. Bertha Edna Treat wife of Howard H. Treat, died at their home, 810 west Wayne street and the bereaved husband's grandmother, Mrs. Martha A. Treat, widow of Samuel Treat and mother of Rollin J. Treat, of 519 west Wayne street, died suddenly at the home of her sister, Mrs. Sarah R. Rich, at McCutchenerville, Ohio.

The death of the elder Mrs. Treat is believed to have been due to the shock resulting from the receipt of news from this city announcing that her grandson's wife was critically ill and had no chance for recovery. It had been known for several days that there was no foundation for the hope that the young wife of Howard Treat might recover from her illness. She was stricken with uraemic poisoning and all efforts of the best medical skill that could be called in were baffled. Mrs. Martha Treat was absent from the city, visiting her sister at McCutchenerville, and Thursday she was notified of the critical condition of the younger lady. She was overcome with grief at the receipt of the sad news and at 10:30 o'clock Thursday night she succumbed to an attack of heart failure, news of her death being received here a few hours after the death of Mrs. H. H. Treat, who passed away at 3:55 o'clock Friday morning.

Martha A. Treat was born at Greenacres, Pa., in 1834, living to the age of 78 years. She came to this city when 10 years of age and has ever since made this her home. Surviving her death are one son, Rollin J. Treat, 519 west Wayne street, who is employed as a collector for the Republican Gazette, the grandson, Howard H. Treat, assistant secretary of the Lima Water Works department, one sister residing at McCutchenerville, and one brother J. J. Huffman, of Chicago. The remains will be brought to this city and will be taken to the home of the son, where she had made her home for a number of years, and there the funeral services will be held Monday morning at 10 o'clock. Interment will be made in Woodlawn cemetery.

Mrs. Bertha Edna Treat was born in this city and was a daughter of Mr. and Mrs. William Kieffer, 368 south Pine street. She was born May 17, 1885, and lived to the age of 27 years. Surviving her death are her bereaved husband and one child, a daughter, Lenore Elizabeth, aged 8 years. She also leaves her parents, one brother, Joseph Kieffer, and two sisters, Mrs. Cliff Smith, of this city, and Mrs. Samuel J. Lober of Amanda Park, California.

The funeral of the young Mrs. Treat will be held from the bereaved home of the husband and daughter, 810 west Wayne street, at 2 o'clock Monday afternoon. Interment will be made in Woodlawn.

FASHION HINTS

If you would follow the fashion wear "hats up." The new shapes are much smaller in the head size, and are worn on the top of the head. Black and white combinations still continue to be favored in Paris. Corsage bouquets of American Beauty roses are worn by the Paris women who effect fashion's smartest touches. The short-waisted frocks have completely vanished. The natural waist line is restored and the draped skirts accentuate the figure's height and slenderness.

Vanity of Man Makes Him Cruel

—SAYS HELEN WARE

"Just which emotion do you believe the most powerful around which to build a play?" asked of

Helen Ware, starring in "The Price." "Vanity, man's vanity, to be sure," she answered. "Who that has ever seen a peacock or a turkey gobbler on dress parade can doubt it?" "When a woman fails to understand that men are perambulating vanities she is gone; when she does understand it, the world is hers. "It is the vanity of men that has

always made them so cruel to women who have made mistakes—the man who marries a woman with a past is afraid, not of her, but of what other men will say. That's vanity. They call it honor on the stage; but the fact that it is vanity is most beautifully brought out in my new play, "Trial Marriage." Jim Scott, the rheumatic White Sox pitcher, claims he has regained

his health. He wants to sign up for next season. Charley Ferguson, American Association numpire, who has been elevated to a major league job is now hunting in Mexico. Trying to cure pimples by outward application is a poor policy. Use The News Want Column

Plain Truth About Care of the Skin

The skin is an index to the digestive organs. Pimples, as a rule, indicate that there is something wrong with the stomach or a person's mode of living. Here are a few simple suggestions, which, if followed usually cure the pimply skin.

Exercise vigorously daily to perspire freely. Keep the quantity of food eaten daily in some relation to the amount and sort of work done. Remember that heat producing foods in abundance are not healthful in the summer time. Keep the skin very clean. Bathe frequently. Rub the skin vigorously with a rough towel.

CLAIMS NEWEST WHITE PLAGUE CURE GENUINE

(By United Press)
Colorado Springs, Colo., Dec. 6.—Dr. A. C. H. Riedmann, arrived home today from a visit to his brother, Frederick Franz Riedmann, of Berlin, who recently announced the discovery of a cure for Tuberculosis.

"Several hundred patients in Germany who have tried the treatment for tuberculosis of the lungs, bones or any tissues, are recovering, proving the success of my brother's discovery," said Dr. Riedmann today. "The matter of making new born children immune from tuberculosis trouble is not definite as yet. The exact effect of the injection of the serum into babies cannot be learned for a number of years after injection so that it is not proper to claim perfect immunity at this time.

"The treatment may be given in the United States under direction of my brother's representatives. For the present, however, nothing will be done. My brother is not in need of money and he will take his time in determining just how to give out

the secret to the world at large for the benefit of all mankind."

HOW TO DESTROY THE DANDRUFF GERM

BY A SPECIALIST.

That the dandruff germ is responsible for nearly all the diseases to which the scalp is heir, as well as for baldness and premature gray hair, is a well known fact, but when we realize that it is also indirectly responsible for many of the worst cases of catarrh and consumption, we appreciate the importance of any agent that will destroy its power. We give herewith the prescription which an eminent scientist states he has found, after repeated tests, to completely destroy the dandruff germ in from one to three applications. It will also almost immediately stop falling hair and it has in numerous cases produced a new hair growth after years of baldness. This prescription can be made up at home, or any druggist will put it up for you: 8 ounces Bay Rum, 2 ounces Lavona de Compose, one-half drachm Menthol Crystals. Mix thoroughly, and after standing half an hour it is ready for use. Apply night and morning, rubbing into the scalp with the finger-tips. If you wish it perfumed, add half a teaspoonful of To-Kalon Perfume, which unites perfectly with the other ingredients. While this preparation is not a dye, it is unequalled for restoring gray hair to its original color.

CAUTION: Do not apply where hair is not desired and be sure to avoid tonics containing poisonous wood alcohol.
